Draft amendment to rules under the Madras Co-operative Societies Act.

Fort St. George, March 24, 1942
(G.O. Ms. No. 626, Development).

The following draft of an amendment to the rules published with Development Department Notification No. 264, dated 1st August 1933, at pages 1178 to 1185 of Part I of the *Fort St. George Gazette*, dated 1st August 1933, as subsequently amended, which it is proposed to make in exercise of the powers conferred by sub-sections (1) and (2) of section 65 of the Madras Co-operative Societies Act, 1932 (Madras Act VI of 1932), is hereby published, as required by sub-section (3) of the said section, for the information of all persons likely to be affected thereby.

Notice is hereby given that the draft will be taken into consideration on or after the 1st May 1942 and that any objection or suggestion which may be received with respect thereto from any person before the date aforesaid will be considered by the Government of Madras.

DRAFT AMENDMENT.

In rule XXVII of the said rules, in clause (a) of sub-rule (1) and in the second proviso to sub-rule (2), for the words "shall be referred to the Registrar and his decision shall be final," the words "shall be referred to the Registrar for decision" shall be substituted.

EXPLANATORY NOTE.

Section 57 of the Madras Co-operative Societies Act confers on the Government the power to revise the orders passed by the Registrar. This power can be exercised by Government in all cases in which the Registrar's decision is not made final by the Act. Rule XXVII (1) (c) and the second proviso to sub-rule (2) issued under the Madras Co-operative Societies Act seek to make the Registrar's decision final. They are therefore inconsistent with section 57 of the Act and consequently ultra vires of the rule-making power conferred by section 65 of the Madras Co-operative Societies Act. The draft amendment proposes to remove the inconsistency.

T. SIVASANKAR,
Deputy Secretary to Government.

Note.—Candidates will distinctly understand that no notice will be taken of any letter requesting to be informed of their register numbers, etc.

At Madras.

Subject and grade of examination.	*Place of examination and name of building, etc.*	*Chief Superintendent.*
(1) For subjects in Building Materials and Construction, Building Drawing, Mensuration and Estimating, Surveying and Levelling, Machine Drawing, Mensuration and Estimating, Electric Light and Power, Agriculture, Book-keeping for Factory Managers, Electric Light and Power, Agriculture, Book-keeping for Factory Managers, Electric Light and Power, Agriculture, Book-keeping for Factory Managers

their machines ready for work with paper inserted in them and to have their register numbers at the left hand corner of their answer papers and the particular kind of Typewriting they are at the right hand corner, typed before the question paper is given to them.

17. Candidates are strictly told not to write anything on the question paper itself. Calculations or any other points they wish to note must be written on any of the blank sheets supplied to them and such sheets including the carbon papers should be left on the table. Further, candidates are minutely warned not to take carbon copies more than what is required of them in the question paper.

18. The candidates will, if necessary, be examined in *batches* but at least *every four* candidates for the Lower grade, at least every two candidates for the Higher grade, must have one machine among them.

19. Managers and Instructors of Institutions concerned are expected to see that their pupils are supplied with Typewriting machines in proper working order.

20. Managers and Instructors will be allowed into the examination hall in the intervals between the various batches to inspect the machines and to remedy any defects. They should take care to see that they do not remain in the examination hall while the question paper is being distributed to the candidates in the examination hall or while their pupils are answering the question papers.

21. If, however, a candidate reports to the Superintendent that his machine has gone out of order, the Superintendent will intimate this to the Manager or Instructor if he is waiting outside on the premises, and will permit such Manager or Instructor to enter the hall (though the candidates may be at work) to inspect the machine and to remedy the defect or to supply another machine. It must, however, be clearly understood that the Superintendent incurs no responsibility in this matter, his action will be purely *ex gratia*, the whole responsibility resting on the candidate and the Manager or Instructor.

22. A similar concession will be allowed in the case of a private candidate, if he has some one outside who is willing to inspect the machine and put it right, etc.

23. *No extra time will be given to candidates to compensate for loss of time while the machine is out of order and is being put right.*

In the Mufussal.

24. Heads of Institutions who are desirous that their pupils should be examined in batches and private candidates who desire to be similarly examined should make the necessary arrangements with the Chief Superintendent concerned *four* days before the examination and furnish him with all the necessary information as to the number of candidates and machines and the time at which each batch will attend on the day fixed for the examination.

At Madras.

Typewriting (English) only.

25. Lower Grade—Candidate's Hall Ticket.—Tickets of admission specifying the particular batch (first or second and so forth in which the candidates fixed to appear) will be issued on Tuesday, 21st April 1942, between 10-30 a.m. and 4-30 p.m. at the Office of the Commissioner for Government Examinations, Old College, Nungambakam. These tickets should be shown at the entrance to the examination hall. Candidates who produce tickets will be admitted to the batch specified in the tickets. Candidates who do not provide themselves with tickets cannot claim to be admitted to any particular batch. They will be admitted only if spare seats are available in the hall, i.e., if no seats are reserved for those who have registered their names and obtained tickets for the batch. Candidates who do not hold tickets will accordingly have to wait at the entrance to the examination hall from the hour of commencement of the first batch and take their chance of being provided with seats in the first or in any subsequent batch. To avoid all inconvenience and possible disappointment, heads of institutions who are desirous that their pupils should be examined in batches and private candidates who desire to be similarly examined are particularly requested to call at the office on the day and date specified above with all the necessary information as to the number and name of candidates that will attend at the particular batch on the day fixed for the examination and obtain tickets of admission issued only. *No tickets can on any account be sent by post whether to heads of institutions or to private candidates.*

26. Candidates that have each a separate machine and that do not want to be examined in batches are expected to appear for their examination with the third batch for the Lower grade. But this does not preclude them from registering their names for that batch and obtaining tickets accordingly.

27. Candidates for the *Higher grade* may appear for the first or second batch at their option and no tickets *accordingly are issued for this grade.*

28. Instructor's Hall Ticket.—Managers or Instructors of Institutions and other persons who wish to be allowed into the examination hall in the intervals between the examinations of the various batches to inspect the machines and remedy any defects, are requested to call at the office on Tuesday, 21st April 1942, and have their names registered. Tickets of admission specifying their names, the institutions to which they belong, etc., will be issued to them and these should be produced at the entrance to the examination hall.

Boarding grants by the Labour Department.

Boarding grants at Rs. 5 per measem which may, in special circumstances, be raised up to a maximum of Rs. 8 a month are awarded by the Commissioner of Labour every year to pupils belonging to the communities eligible for help by the Labour Department studying in elementary and secondary school classes from Standard IV to Form III inclusive, or to pupils studying in Industrial schools recognized by the Director of Industries and Commerce, Madras. The grants are also awarded to girl pupils admitted to Class III in primary departments of secondary schools provided they do not exceed the age-limits prescribed for pupils of Standard IV in elementary schools. The grants will ordinarily be tenable for a period of 10 months in the year from the 1st July 1942 but in exceptional circumstances the period may be raised. After making provision for renewal of the boarding grants sanctioned last year a limited number will be available for award during 1942-43. The grants are also open to converts to Christianity or any other religion and their descendants belonging to the communities eligible for help by the Labour Department. A list of the communities eligible for help by the Labour Department is annexed.

2. (a) Applicants for boarding grants from Elementary and Secondary Schools should not exceed the following age-limits on the 1st July 1942:—

Class III	..	12 years.
Class or Standard IV	..	12 ,,
Do. V	..	13 ,,
Do. VI and Form I	..	14 ,,
Do. VII and Form II	..	15 ,,
Do. VIII and Form III	..	16 ,,

(b) Applicants for boarding grants from Industrial Schools should have passed Standard V in a Day School and should not have exceeded 20 years of age on the 1st July 1942.

3. Forms of application for the boarding grants awardable under this notification may be obtained from the Personal Assistant to the Commissioner of Labour, Post Box No. 428, Chepauk, Madras.

4. All applications for boarding grants should be sent in the prescribed form so as to reach the Commissioner of Labour before 15th July 1942. They

should be forwarded by the head or manager of the school in which the pupil studied in 1941-42, through the head or manager of the school in which the pupil intends to study in 1942-43 and through the manager of the hostel or boarding house in which the pupil is staying or intends to stay. The poverty certificate appended to the application should be signed by a Gazetted Officer or by an officer of the Revenue Department not lower in rank than a Deputy Tahsildar or Sub-Magistrate or by a District Labour Officer or by an Inspector of Police.

5. Applications not submitted in the prescribed form or not accompanied by the poverty certificate and any application received after the due date are liable to be rejected summarily.

6. Boarding grants sanctioned by the Commissioner will be subject to the conditions specified in this notification and to such other conditions as may be laid down in the orders communicating the sanction of boarding grants. Any boarding grant falling vacant during the period for which it is tenable may be awarded for the remaining period to an eligible applicant. In all cases where boarding grants are sanctioned, intimation will be given to the heads of the schools concerned and the managers of the hostels or boarding houses in which the pupils are staying or intend to stay. Where the award of a boarding grant is refused no such intimation will be given nor will the Commissioner of Labour enter into any correspondence on the subject.

7. The boarding grants will be sanctioned only to pupils (a) living in hostels attached to the schools to which they study or (b) residing in hostels or boarding houses managed by private bodies and attending schools in the neighbourhood.

8. The boarding grants are open only to pupils of promise whose pecuniary circumstances are certified in the prescribed form to be such as to prevent them from prosecuting their studies without such assistance. Pupils whose parents or guardians live within a radius of five miles from the boarding home in which they reside and who have not been promoted to the next higher class or standard or form and have not secured marks above the class average in all subjects in the last annual examination will not ordinarily be eligible for boarding grants. In the case of girl applicants reading in schools and staying in boarding homes in rural areas, however, the rule regarding distance will be that their parents or guardians should live at a distance of two miles or more from the boarding home.

9. Heads of schools may grant leave without diminution or loss of boarding grant for a period not exceeding one month to pupils who are absent in consequence of severe sickness; but if the leave exceeds this period, no boarding grant will be allowed for the excess period. Casual leave without diminution or loss of boarding grant may be granted for good and sufficient reasons for a period not exceeding fifteen days in the year, provided such leave does not immediately precede or succeed gazetted holidays. Under the above conditions, leave for the pupils in receipt of boarding grants in schools may be sanctioned by the heads of schools who shall then report it to the Commissioner. Such reports should be signed both by the heads of schools and by the managers of the boarding homes concerned.

10. Without the special sanction of the Commissioner, no pupil receiving a boarding grant under this notification shall be permitted to hold any other boarding grant provided wholly or partly by Government or from any other source. Such sanction will not be accorded except for very special reasons.

11. All boarding grants tenable under the above rules are liable to forfeiture for misconduct, irregularity or failure to make due progress or to secure annual promotion.

12. A boarding grant held in any class shall run from the beginning of the month in which the holder joins the class and shall not continue to be drawn after he ceases to attend it.

13. The boarding grants are payable in three instalments, the first instalment in July 1942 representing the grant due for the months of July to September 1942, the second instalment in October 1942, representing the grant due for the months of October to December 1942 and the third and last instalment in January 1943, representing the grants due for the month of January to April 1943. The boarding grants sanctioned in 1942-43 should all be drawn before the end of the official year, i.e., 31st March 1943, and any amount not so drawn cannot be drawn after the 31st March 1943 without a fresh sanction from the Commissioner of Labour.

14. The boarding grants will be drawn by the managers of the boarding homes concerned, but the boarding grant bills in which the claims are made should be signed also by the heads of the schools in which the boarding grant holders are studying in token of the fact that the pupils are on the rolls of the schools.

15. When the names of the boarding grant holders are struck off the rolls of the schools in which they are studying, the heads of the schools concerned should make a report to the Commissioner of Labour immediately. Similar report should be made by the managers of the boarding homes also when the boarding grant holders are away from the boarding homes for periods in excess of those permissible under the rules or leave the boarding homes.

16. The boarding grant sanctioned may, on the pupil's promotion to the next higher class, be renewed provided the pupil's progress and conduct have been satisfactory. Applications for renewal of boarding grants should be submitted in the prescribed form.

17. An acquittance in the printed form which will be supplied from this office, shall be obtained by the manager of the boarding home from each of the pupils to whom the grants are disbursed. The acquittances so obtained shall be sent to the heads of the schools in which the boarding grant holders are reading and shall be maintained there and produced at the time of the departmental inspection of the institution and when required by the officers of the Labour Department.

18. In addition to the above, boarding grants as shown below will also be sanctioned by the authorities mentioned against each to pupils of the communities eligible for help by the Labour Department specified therein:—

VACANCIES.

Admission to the Prince of Wales's Royal Indian Military College, Dehra Dun.

In connexion with the admission of candidates to the Prince of Wales's Royal Indian Military College, Dehra Dun, the following information is published for the use of intending candidates:—

(1) The college provides a public school education on English lines for Indian and Anglo-Indian youths who desire subsequently to enter a cadet college with a view to obtaining commissions in the Indian Land Forces, the Indian Air Force or the Royal Indian Navy, and making one of these services their profession in life. The course of study at the college will, however, be such that, should a boy fail in the competitive examination for admission to a cadet college or for entry in the Royal Indian Navy, he will be in as favourable a position for entry to a university as if he had been educated at an ordinary school.

(2) Candidates will be selected from unmarried Indian and Anglo-Indian boys of—

(a) Provinces of British India.

(b) Indian States.

(3) Candidates must have attained the age of eleven years and be under twelve years on the 1st August 1942.

(4) Candidates should attach to their applications a medical certificate from the Officer Commanding a British or Indian Station Hospital or a Civil Surgeon to the effect that they are physically fit in all respects in accordance with Appendix A to this notification.

(5) The fees of students are Rs. 1,500 for each school year. This is a privileged rate and is liable to enhancement hereafter, if circumstances require. Any enhancement of fees that may hereafter be decided upon will, however, be applied to new entrants only. These fees will include tuition, messing, school servants and medical attendance of the ordinary kind and, as initial provision, one suit of the uniform to be worn by students when at the college. Charges on account of washing of cadets' clothing and mending their clothing, boots and shoes, as well as the cost of books and stationery (which will be supplied by the college) over and above the Government grant for this purpose will be met by the parents or guardians of the cadets.

In addition to the fees referred to above, the parent or guardian of a cadet will be required to deposit with the college authorities, on his entering the college, the sum of Rs. 50 which will be returned when the cadet finally leaves the college provided that all dues have been paid.

Should it be necessary for cadets to be admitted into a hospital (other than the college hospital), or to provide additional nursing sisters for the treatment of cadets in the college hospital, all charges incurred will be borne by the parents or guardians of the cadets.

A full term's notice is required to be given of intention to withdraw a cadet from the college. In the event of such notice not being given, the parent or guardian will be required to pay one full term's fees in lieu, unless it is considered that the circumstances in which the cadet was withdrawn are such as to call for special consideration (on this point final decision will rest with the Government of India). In cases where notice of withdrawal is given in the first half of the term preceding the term from which the cadet is to be withdrawn, the recovery of a full term's fees in lieu may be waived at the discretion of the Government of India.

(6) Remission of fees will be granted in August each year to the sons of Indian Officers or men who have served in the regular army, where the services and financial circumstances of the father warrant it. Such remissions are limited to Rs. 600 per annum to any one cadet and are granted for a year at a time, after which they are reviewed.

(7) A scholarship of the value of Rs 1,150 will be available during 1943-44 and will be granted in accordance with the rules issued in G O No 1038, Public (Political), dated 22nd May 1940. (No scholarship will be available for 1942-43)

(8) Parents or guardians of candidates for admission to the college, at the time of the submission of the applications, will furnish signed declarations (in duplicate) as the following form:—

"I, _____ father / guardian of _____ a candidate for admission to the Prince of Wales's Royal Indian Military College, Dehra Dun, declare that it is my desire that my son / ward should make the Indian Army, Air Force or Royal Indian Navy his profession in life.

I further declare that I have made myself acquainted with the fees payable at the Prince of Wales's Royal Indian Military College, and subsequently, at the Indian Military Academy, Dehra Dun [rs. Rs 3,850 for a course of 2½ years]; and at the Royal Air Force College, Cranwell [viz., £75 for a course of two years]; and expenditure to be incurred in connexion with the training of cadets for appointment as commissioned officers of the Royal Indian Navy [viz., £250 in the case of the Executive Branch and £475 for the Engineer Branch]; and that I am able and willing to pay the prescribed fees and meet the expenditure in the case of the Royal Indian Navy, as also the incidental expenses.

I declare also that—

(a) if my ward withdraws from the Prince of Wales's Royal Indian Military College before appearing at an examination for admission to the Indian Military Academy, the Royal Air Force College, Cranwell, or the Royal Indian Navy,

or

(b) if, having been declared successful at one of the examinations mentioned at (a) above, does not proceed to one of the institutions with the intention of adopting the Indian Army, Indian Air Force or Royal Indian Navy as his profession, *for reasons within his control or mine* (on which points final decision will rest with the Government of India), I shall be required to pay the full cost (Rs 3,200 per annum) which Government may have incurred on his education at the Prince of Wales's Royal Indian Military College.

I declare also that my ward is unmarried and that he will remain a bachelor whilst at the college and until he has completed, subsequently, a course at the Indian Military Academy, Royal Air Force College, Cranwell, or for admission to the Royal Indian Navy.

Report Select of Committee on L.A. Bill No 25 of 1941—Weekly Holidays, 1942 .. .. PAGE 75

Bills introduced in the Council of State and Legislative Assembly, Reports of Select Committees presented to the Council and Assembly and Bills published under Rule 18 of the Indian Legislative Rules.

GOVERNMENT OF INDIA.

LEGISLATIVE ASSEMBLY DEPARTMENT.

The following Report of the Select Committee on the Bill to provide for the grant of weekly holidays to persons employed in shops, commercial establishments, restaurants and theatres was presented to the Legislative Assembly on the 11th March 1942:—

We, the undersigned, members of the Select Committee to which the Bill to provide for the grant of weekly holidays to persons employed in shops, commercial establishments, restaurants and theatres was referred, have considered the Bill and have now the honour to submit this our Report, with the Bill as amended by us annexed thereto.

We have excluded "commercial establishments" as defined in clause 2 (c) of the Bill as introduced from the operation of the Bill, and have confined the provisions of the Bill to shops, restaurants and theatres. It is felt that the closing of all commercial establishments for one day a week might at the present juncture interfere with the war effort, and would prove impracticable. The omission of the references to "commercial establishments" in the long title and preamble, of the definition in clause 2 and of the references in clauses 3 and 5, and the small amendment in clause 2 (a) give effect to this decision. We recommend, however, that as soon as circumstances permit the provisions now being enacted for shops, restaurants and theatres should be extended to commercial establishments.

The definition of "restaurant" has been amended so as to include only premises in which the whole or the principal business is the supply of meals or refreshments.

Clause 3 as amended no longer specifies Sunday as the normal closing day, and extends the power of the Provincial Government to determine what the closing day shall be by enabling it to fix a particular day for any particular shop. This we consider necessary in order to deal with shops whose proprietors belong to communities which prefer a closing day other than Sunday, and may indeed already be in the habit of closing their shops on a day other than Sunday.

In clause 4 we have inserted the word "shop" to reinforce the right conferred by clause 3 on employees in shops to have one whole holiday in each week. We have added a proviso to exclude from this right employees who are employed in the shop for less than six days in the week.

Clause 5 has been amended to allow the Provincial Government to fix the hour at which shops shall close for the weekly half holiday, instead of specifying one o'clock in the afternoon as that hour. We have added a provision on the lines of clause 3 (2) to enable this closing hour to be adjusted to varying circumstances.

In clause 7 we have provided that the appointment of inspectors shall be made by notification in the official Gazette.

In clause 10 we have provided that rules made under the Act shall be previously published. We have also made a formal amendment in clause 10 (2) (b).

2. The Bill was published in the Gazette of India, dated the 11th October 1941.

3. We think that the Bill has not been so altered as to require republication, and we recommend that it be passed as now amended.

NOTE OF DISSENT.

I would have preferred retaining of the Commercial Establishments within the scope of the Bill. Any inconvenience which may be caused during the period of the war can easily be avoided by the powers of exemption given to the Provincial Governments.

NOTIFICATION.

The following Statement of the reasons which have moved His Excellency the Governor to enact the Madras City Municipal, District Municipalities and Local Boards (Amendment) Act, 1942, in exercise of the powers of the Provincial Legislature assumed by him under the Proclamation issued under section 93 of the Government of India Act, 1935, is published for general information :—

STATEMENT.

The term of office of the councillors and aldermen of the Corporation of Madras, the councillors of all mufassal municipal councils except Tiruppattur, Devakottai, Rajapalayam, Cuddalore, Peddapuram, Palacole and Karur, and the members of all local boards except those in the districts of Ramnad, Tanjore, Salem, Coimbatore, Malabar, Nellore, East Godavari and Kistna was extended up to noon of the 1st April 1942 by the Madras City Municipal, District Municipalities and Local Boards (Second Amendment) Act, 1941 (Madras Act XVII of 1941). Ordinary elections to these local bodies should, in the normal course, be held before the end of March 1942 in order to enable the newly elected members to assume office on the 1st April. The Government have carefully examined the question and they consider that in the existing conditions it would be highly undesirable to hold the elections. The officers on whom the work of conducting the elections would devolve, should be left free to do the urgent duties consequent on the situation created by the war in addition to their normal duties connected with jamabandi and revenue collections during this part of the year. The Government have therefore decided that, as matters stand at present, the

elections to local bodies which are due to take place before the 31st March 1942 should be postponed and that the term of office of the existing members should be extended up to the 1st November 1942. The Madras City Municipal, District Municipalities and Local Boards (Amendment) Act, 1942, has been enacted to give effect to this decision.

(By order of His Excellency the Governor)

Secretary to Government.

1925 ലെ ഇന്ത്യാ ഗവർമ്മേണ്ട് ആക്ട് 33 - ാം വകുപ്പുപ്രകാരം പുറപ്പെടുവിച്ച വിജ്ഞാപനമനുസരിച്ച ബഹുമാനപ്പെട്ട ഗവർണ്ണരവർകൾ കൗൺസിലിന്റെ സംസ്ഥാന നിയമസഭയിലിരിയുടെ അധികാരങ്ങൾ ഉപയോഗിച്ചുകൊണ്ട് 1942 ലെ മലിനാശി ധനകാര്യ ആക്ട് എന്ന നിയമമുണ്ടാക്കുവാൻ അദ്ദേഹത്തെ പ്രേരിപ്പിച്ച കാരണങ്ങളെപ്പറ്റിയുള്ള താഴെ പറയുന്ന സ്റ്റേറ്റ്മെന്റ് എല്ലാവരും അറിവാനായി പ്രസിദ്ധപ്പെടുത്തിയിരിക്കുന്നു :—

സ്റ്റേറ്റ്മെന്റ്.

ഓരോ പ്ലാപ്പാരിയിൽനിന്നും നാരോ കൊല്ലത്തിലും, അയാളുടെ മൊത്ത വില്പനസംഖ്യ 10,000 ക. യിൽ കവിയാതെയും എന്നാൽ 20,000 ക. യിൽ കവിയാതെയും ഇരിക്കുന്നപക്ഷം മാസത്തിൽ 5 ക. യും, മൊത്ത വില്പന സംഖ്യ 20,000 ക. യിൽ കവിയുന്നതായാൽ ആ സംഖ്യയുടെ ഒരു ശതമാനത്തിന്റെ പകുതിയും നികുതിയായി പിരിക്കുന്നതിന്നു, 1939 ലെ മലിനാശി സാമാന്യ വില്പന നികുതി ആക്ട് (1939 ലെ 9 - ാം മലിനാശി ആക്ട്) 3 (1) എന്ന വകുപ്പു, മറ്റു കാര്യങ്ങളുടെ കൂട്ടത്തിൽ, വ്യവസ്ഥചെയ്തിട്ടുണ്ട്. 1940 - 41 എന്ന കണക്കു കൊല്ലത്തേക്കുള്ള ആയവ്യയത്തിപ്പുകൂടെ കാര്യത്തിൽ, പ്ലാപ്പാര നികുതികളിൽനിന്നുള്ള അറേകായം ഞങ്ങൾ ഉത്തു നിലവിലുണ്ടായിരുന്ന മറ്റുനിയമ നടപടികളുടെ ഫലമായി നഷ്ടപ്പെട്ട നികുതിക്കു കഴിയുന്നത്ര സാമാന്യത്തുകവരുത്തുന്നതിനും ആ നികുതിയുടെ തോതിൽ ഒരു കുറവു ചെയ്യാമെന്നും ഗവർമ്മേണ്ടിനു അഭിപ്രായമായി. ഈ ഉദ്ദേശത്തോടുകൂടി, 1940 ലെ മലിനാശി ധനകാര്യ ആക്ട് (1940 ലെ 2 - ാം മലിനാശി ആക്ട്) എന്ന നിയമമുണ്ടാക്കി. ആ ആക്ട് പ്രകാരം, 1940 ഏപ്രിൽ 1-ാം തിയ്യതിക്കു ആരംഭിച്ച കൊല്ലത്തേക്കുള്ള നികുതി, മൊത്ത വില്പനസംഖ്യ 20,000 ക. യിൽ കവിയാത്ത ആളുകളുടെ കാര്യത്തിൽ മാസത്തിൽ 5 ക. യിൽനിന്നു 4 ക. യായും, മറ്റു സംഗതികളിൽ മൊത്ത വില്പന സംഖ്യയുടെ ഒരു ശതമാനത്തിന്റെ പകുതിയിൽ നിന്നു കാൽഭാഗമായും കുറച്ചു. ഇപ്രകാരം കുറച്ച നികുതിത്തുക 1941 ലെ മലിനാശി ധനകാര്യ ആക്ട് (1941 ലെ 9 - ാം മലിനാശി

ആക്ട്) പ്രകാരം 1941 ഏപ്രിൽ 1 - ാം തിയ്യതി ആരംഭിച്ച കൊല്ലത്തേക്കു പ്രബലമാക്കിവെച്ചു. ആ കാലപരിധിയെയും തന്നെ 1942 ഏപ്രിൽ 1 - ാം തിയ്യതിക്കു ആരംഭിക്കുന്ന ഒരു കൊല്ലക്കാലത്തേക്കുകൂടി ഇനിയും പ്രബലത്തിൽ വെക്കാമെന്നു ആലോചിച്ചിരിക്കുന്നു. ഈ ഉദ്ദേശം നടപ്പിൽ വരുത്തുവാൻവേണ്ടി, ബഹു. മാനപ്പെട്ട ഗവർണ്ണരവർകൾക്കു 1942 ലെ മദിരാശി ധനകാര്യ ആക്ട് എന്ന നിയമമുണ്ടാക്കിയിരിക്കുന്നു.
